TORAH PORTION

Korach

PAGE: 639

Korach, Dathan and Abiram and 250 leaders of Israel rebel against the authority of Moshe and Aharon. The rebellion results in their being swallowed by the earth. Many resent their death and blame Moshe. G-d's "anger" is manifested by a plague that besets the nation, and many thousands perish. Moshe intercedes once again for the people. He instructs Aharon to atone for them and the plague stops. Then G-d commands that staffs, each inscribed with the name of one of the tribes, be placed in the Mishkan. In the morning, the staff of Levi, bearing Aharon's name, sprouts buds, blossoms and yields ripe almonds. This provides Divine confirmation that Levi's tribe is chosen for priesthood and verifies Aharon's position as Kohen Gadol, High Priest. The specific duties of the Levi'im and Kohanim are stated. The Kohanim were not to be landowners, but were to receive their sustenance from the tithes and other mandated gifts brought by the people. Also taught in this week's Parsha are laws of the first fruits, redemption of the firstborn, and other offerings.

"I tell people," the rabbi said, "that the three most important words for synagogue attendance are 'Kiddush to Follow.'"

If you feel like doing some work, sit down and wait....The feeling does go away.
