**(In the beginning)**

**T**he story of creation in the Torah is that in the beginning the universe consisted only of emptiness, chaos and darkness, with the Spirit of G-d hovering above it all.

In the beginning, G-d creates the entire universe, including time itself, out of nothingness. This process of creation continues for six days. On the seventh day, G-d rests, bringing into existence the spiritual universe of Shabbos, which returns to us every seven days. Adam and Eve - the Human pair - are placed in the Garden of Eden. Eve is enticed by the serpent to eat from the forbidden fruit of the "Tree of Knowledge of Good and Evil," and in turn gives the fruit to Adam. By absorbing "sin," Adam and Eve render themselves incapable of remaining in the spiritual paradise of Eden and are banished. Death and hard work (both physical and spiritual) now enter the world, together with pain in childbirth. Now begins the struggle to correct the sin of Adam and Eve, which will be the main subject of world history. Cain and Abel, the first two children of Adam and Eve, bring offerings to G-d. Abel gives the finest of his flock, and his offering is accepted, but Cain gives inferior produce and his offering is rejected. In the ensuing quarrel, Cain kills Abel and is condemned to wander the earth. The Torah traces the genealogy of the other children of Adam and Eve, and the descendants of Cain until the birth of Noach. After the death of Sheis, Mankind descends into evil, and G-d decides that He will blot out man in a flood which will deluge the world. However, one man, Noach, finds favour with G-d.

**Quotes...**

If My Absence Doesn't Affect Your Life,  
Then My Presence has no Meaning in It.

Before you speak, let your words pass through three gates:  
Is it true? Is it necessary? Is it kind?

**Thoughts:**

-The beautiful thing about today is that you get the choice to make it better than yesterday. **Good Morning.**

- Every day may not be good, but there is something good in every day.

-The biggest difference between money and time: You always know how much money you have but you never know how much time you have. **Enjoy every moment of your life!**

**3 Ways to Fail at everything in life:**

**Complain about everything, Blame others for your problems, Never be grateful.**

**Words of Wisdom...**

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

Take time to be thankful for all that you have. You can always have more but you could also have less.

Try and Fail, but don't fail to try.

Don't mix bad words with your bad mood. You'll have many opportunities to change your mood, but you'll never get the opportunity to replace the words you spoke.
