Shabbat Noach

PARSHA – Pg. 26

TORAH PORTION

Noach

PAGE: 26

It is ten generations since the creation of the first human. Adam's descendants have corrupted the world with immorality, idolatry and robbery, and G-d resolves to bring a flood which will destroy all the earth's inhabitants except for the righteous Noach, his family and sufficient animals to repopulate the earth. G-d instructs Noach to build an ark. After forty days and nights, the flood covers even the tops of the highest mountains. After 150 days the water starts to recede. On the 17th day of the 7th month, the ark comes to rest on Mount Ararat. Noach sends out a raven and then a dove to ascertain if the waters have abated. The dove returns. A week later Noach again sends the dove, which returns the same evening with an olive leaf in its beak. After another seven days Noach sends the dove once more; the dove does not return. G-d tells Noach and his family to leave the ark. Noach brings offerings to G-d from the animals which were carried in the ark for this purpose. G-d vows never again to flood the entire world and designates the rainbow as a sign of this covenant. Noach and his descendants are now permitted to slaughter and eat meat, unlike Adam. G-d commands the Seven Universal Laws: The prohibitions against idolatry, adultery, theft, blasphemy, murder, eating meat torn from a live animal, and the obligation to set up a legal system. The world's climate is established as we know it today. Noach plants a vineyard and becomes intoxicated from its produce. Cham, one of Noach's sons, delights in seeing his father drunk and uncovered. Shem and Yafet, however, manage to cover their father without looking at his nakedness, by walking backwards. For this incident, Canaan is cursed to be a slave. The Torah lists the offspring of Noach's three sons from whom the seventy nations of the world are descended. The Torah records the incident of the Tower of Babel, which results in G-d fragmenting communication into many languages and the dispersal of the nations throughout the world. The Parsha concludes with the genealogy of Noach to Avram.

"Mr. Issy Levy" says the divorce court judge, "I have reviewed this case very carefully indeed, and as a result of the facts, I've decided to award your wife, Rifka \$500.00 a week." That's very fair of you, your honour", says Izzy, and every now and then, I'll try to send her some money too."
