49th Day of the Omer

TORAH PORTION	Bamidbar (In the Wilderness)	PAGE: 568
----------------------	-------------------------------------	------------------

The Book of Bamidbar — "In the Desert" — begins with G-d commanding Moshe to take a census of all men over age twenty — old enough for service. The count reveals just over 600,000. The levi'im are counted separately later because their service will be unique. They will be responsible for transporting the Mishkan and its furnishings and assembling them when the nation encamps. The 12 Tribes of Israel, each with its banner, are arranged around the Mishkan in four sections: east, south, west and north. Since Levi is singled out, the tribe of Yosef is split into two tribes, Ephraim and Menashe, so there will be four groups of three. When the nation travels, they march in a formation similar to the way they camp. A formal transfer is made between the first-born and the levi'im, whereby the levi'im take over the role the first-born would have had serving in the Mishkan if not for the sin of the golden calf. The transfer is made using all the 22,000 surveyed levi'im from one month old and up. Only levi'im between 30 and 50 will work in the Mishkan. The remaining first-born sons are redeemed with silver, similar to the way we redeem our first-born today. The sons of Levi are divided into three main families, Gershon, Kehat and Merari (besides the kohanim — the special division from Kehat's family). The family of Kehat carried the menorah, the table, the altar and the holy ark. Because of their utmost sanctity, the ark and the altar are covered only by Aharon and his sons, before the levi'im prepare them for travel.

Shavuot

Shavuot has a double significance. It marks the all-important wheat harvest in the Land of Israel and it commemorates the anniversary of the day God gave the Torah to the entire nation of Israel assembled at Mount Sinai, although the association between the giving of the Torah and Shavuot is not explicit in the Biblical text.

The holiday is one of the Shalosh Regalim, the three Biblical pilgrimage festivals. It marks the conclusion of the Counting of the Omer, and its date is directly linked to that of Passover. The Torah mandates the seven-week Counting of the Omer, beginning on the second day of Passover, to be immediately followed by Shavuot. This counting of days and weeks is understood to express anticipation and desire for the giving of the Torah. On Passover, the people of Israel were freed from their enslavement to Pharaoh; on Shavuot they were given the Torah and became a nation committed to serving God. The word Shavuot means weeks, and the festival of Shavuot marks the completion of the seven-week counting period between Passover and Shavuot. YISKOR is recited this Monday.

Joke...

Sadie is on her deathbed with her husband of 32 years by her side. "Sam, Darling," she says, "When I'm gone, I don't want you should be alone. You'll find someone and give her the expensive gowns I had made for me in Paris." "Don't talk crazy, Sadie." Replies Sam. "And mine mink coat; she should have it." "Don't talk crazy, Sadie." Replies Sam once more. "Why," asks Sadie, "am I talking crazy?" "Because" says Sam, "You're a size 18 and she's a size 9."

The Shaar Office is Closed on Monday, June 6th, 2022 for Yiskor Shavuot.
