**Kedoshim**

**PAGE 497**

**(Holiness)**

The Parshah of Kedoshim begins with the statement: "You shall be holy, for I, the L-rd your G-d, am holy." This is followed by dozens of mitzvot (divine commandments) through which the Jew sanctifies him or herself and relates to the holiness of G-d. The nation is enjoined to be holy. Many prohibitions and positive commandments are taught:

**Prohibitions:** Idolatry; eating offerings after their time-limit; theft and robbery; denial of theft; false oaths; retention of someone's property; delaying payment to an employee; hating or cursing a fellow Jew (especially one's parents); gossip; placing physical and spiritual stumbling blocks; perversion of justice; inaction when others are in danger; embarrassing; revenge; bearing a grudge; cross-breeding; wearing a garment of wool and linen; harvesting a tree during its first three years; gluttony and intoxication; witchcraft; shaving the beard and sideburns; tattooing.

**Positive:** Awe for parents and respect for the elderly; leaving part of the harvest for the poor; loving others (especially a convert); eating in Jerusalem the fruits from a tree's 4<sup>th</sup> year; awe for the Temple; respect for Torah scholars, the blind and the deaf.

**Yom Hazikaron**, This Monday, ("Memorial Day for the Fallen Soldiers of Israel and Victims of Terrorism"), is Israel's official remembrance day, enacted into law in 1963.[3] While Yom Hazikaron has been traditionally dedicated to fallen soldiers, commemoration has also been extended to civilian victims of political violence, Palestinian political violence, and terrorism in general.

### Joke...

After nearly 50 years of marriage, a couple was lying in bed one evening, when the wife felt her husband, begin to massage her in ways he hadn't in quite some time. It almost tickled as his fingers started at her neck, and then began moving down past the small of her back. He then caressed her shoulders and neck, slowly worked his hand down, stopping just over her stomach.

He then proceeded to place his hand on her left inner arm, working down her side, passing gently over her buttock and down her leg to her calf. Then, he proceeded up her thigh, stopping just at the uppermost portion of her leg. He continued in the same manner on her right side, then suddenly stopped, rolled over and became silent. As she had become quite aroused by this caressing, and proceeded to ask in a loving voice, 'Honey that was wonderful. Why did you stop?' He responded: 'I found the remote.'

### Go Figure...

Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?

**HAPPY MOTHER'S DAY ☺**
