(And I Appeared)

G-d tells Moshe to inform the Jewish People that He is going to take them out of Egypt. However, the Jewish People do not listen. G-d commands Moshe to go to Pharaoh and ask him to free the Jewish People. Although Aharon shows Pharaoh a sign by turning a staff into a snake, Pharaoh's magicians copy the sign, emboldening Pharaoh to refuse the request. G-d punishes the Egyptians and sends plagues of blood and frogs, but the magicians copy these miracles on a smaller scale, again encouraging Pharaoh to be obstinate. After the plague of lice, Pharaoh's magicians concede that only G-d could be performing these miracles. Only the Egyptians, and not the Jews in Goshen, suffer during the plagues. The onslaught continues with wild animals, pestilence, boils and fiery hail. However, despite Moshe's offers to end the plagues if Pharaoh will let the Jewish People leave, Pharaoh continues to harden his heart and refuses.

NOTICE FROM THE WINDSOR-ESSEX COUNTY HEALTH UNIT

Stay at home if you are sick, so you do not spread the illness to others. - <https://www.wechu.org/z-health-topics/infection-prevention-tips-avoid-getting-sick>

As I get older I realize:

- 1) I talk to myself, because sometimes I need expert advice.
- 2) Sometimes I roll my eyes out loud.
- 3) My people skills are just fine. It's my tolerance of idiots that needs work.
- 4) When I was a child, I thought nap time was a punishment. Now it's like a mini-vacation.
- 5) Wouldn't it be great if we could put ourselves in the dryer for 10 minutes; come out wrinkle-free and three sizes smaller?
- 6) "Getting Lucky" means walking into a room and remembering why I'm there.
