**K**orach incites a mutiny challenging Moses' leadership and the granting of the kehunah (priesthood) to Aaron. Korach, Datan and Aviram and 250 leaders of Israel rebel against the authority of Moshe and Aharon. The rebellion results in their being swallowed by the earth. Many resent their death and blame Moshe. G-d's "anger" is manifested by a plague that besets the nation, and many thousands perish. Moshe intercedes once again for the people. He instructs Aharon to atone for them and the plague stops. Then G-d commands that staffs, each inscribed with the name of one of the tribes, be placed in the Mishkan. In the morning, the staff of Levi, bearing Aharon's name, sprouts buds, blossoms and yields ripe almonds. This provides Divine confirmation that Levi's tribe is chosen for priesthood and verifies Aharon's position as Kohen Gadol, High Priest. The specific duties of the Levi'im and Kohanim are stated. The Kohanim were not to be landowners, but were to receive their sustenance from the tithes and other mandated gifts brought by the people. Also taught in this week's Parsha are laws of the first fruits, redemption of the firstborn, and other offerings.

### What a wife needs

A husband and wife go to a male counsellor after 15 years of marriage. The counsellor asks them what the problem is, and the wife goes into a tirade, listing every problem they have ever had in the 15 years they've been married. She goes on and on and on. Finally, the counsellor gets up, goes around the desk, embraces the woman and kisses her passionately. The woman shuts up and sits quietly in a daze. The counsellor turns to the husband and says, "That is what your wife needs at least three times a week. Can you do that?"

The husband thinks for a moment and replies, "Well, I can get her here Monday and Wednesday, but Friday I go fishing."

### Go figure...

- To the guy that stole my anti-depressants: I hope you're happy now.
- I know how it will end. One of my grandkids will unplug my life support to charge their phone.
- I applied for a job hanging mirrors. It's something I can see myself doing.
- Why does toilet paper need a commercial? Who's not buying it?
- A truck loaded with Vick's vapor rub overturned on the highway. Amazingly, there was no congestion for eight hours.

Happy Canada Day!
