**TORAH PORTION: Vayera PAGE 63
(And He Appeared)**

Three days after performing brit mila on himself, Avraham is visited by G-d. When three angels appear in human form, Avraham rushes to show them hospitality by bringing them into his tent, despite this being the most painful time after the operation. Sarah laughs when she hears from them that she will bear a son next year. G-d reveals to Avraham that He will destroy Sodom, and Avraham pleads for Sodom to be spared. G-d agrees that if there are fifty righteous people in Sodom He will not destroy it. Avraham "bargains" G-d down to ten righteous people. However, not even ten can be found. Lot, his wife and two daughters are rescued just before sulfur and fire rain down on Sodom and her sister cities. Lots wife looks back and is turned into a pillar of salt. Lots daughters fear that as a result of the destruction there will be no husbands for them. They decide to get their father drunk and through him to perpetuate the human race. From the elder daughter, Moav is born, and from the younger, Ammon. Avraham moves to Gerar where Avimelech abducts Sarah. After G-d appears to Avimelech in a dream, he releases Sarah and appeases Avraham. As promised, a son, Yitzchak, is born to Sarah and Avraham. On the eighth day after the birth, Avraham circumcises him as commanded. Avraham makes a feast the day Yitzchak is weaned. Sarah tells Avraham to banish Hagar and Hagar's son Yishmael because she sees in him signs of degeneracy. Avraham is distressed at the prospect of banishing his son, but G-d tells him to listen to whatever Sarah tells him to do. After nearly dying of thirst in the desert, Yishmael is rescued by an angel and G-d promises that he will be the progenitor of a mighty nation. Avimelech enters into an alliance with Avraham when he sees that G-d is with him. In a tenth and final test, G-d instructs Avraham to take Yitzchak, who is now 37, and to offer him as a sacrifice. Avraham does this in spite of ostensibly aborting Jewish nationhood and contradicting his life-long preaching against human sacrifice. At the last moment, G-d sends an angel to stop Avraham. Because of Avrahams unquestioning obedience, G-d promises him that even if the Jewish People sin, they will never be completely dominated by their foes. The parsha ends with the genealogy and birth of Rivka.

Special Plaque

As Morris is walking through his shul's offices, he notices a number of lovely works of art hanging around the walls. But then he comes across a plaque inscribed only with a list of men's names. Being a very curious man, Morris goes into Rabbi Levy's office and asks, "Rabbi, what does the plaque with only men's names on it mean?"

Rabbi Levy replies, "The names are of those men who died in the service." "Really?" says Morris. "Was that the 6:00 or 8:00 service?"
